Vusumuzi Khutswa

FRONT-END UI/UX DEVELOPER

✉ vusumuzi1947@gmail.com   📱 0813066366   📍 Johannesburg, Gauteng

SUMMARY

I am a very passionate self taught front-end developer who likes designing and building websites/web apps. I am always learning new technologies pertaining to web development and always up-skilling myself. I am also a person who likes a challenge and a person who likes solving problems.
